

## FIRST Q WILL BE PRESENT AT GREENBUILD EUROPE 2018

### The local challenges of meeting Low or Zero Carbon Technology contribution targets within Europe

**first**  
Network

Maria Perzon, PhD  
Bengt Dahlgren AB, Sweden

Helen Payne,  
BWB Consulting, UK

Mirjam Borowietz  
ZWP Ingenieur-AG, Germany

Juan Gallostra  
President , First Q Network  
Engineering, Europe

Four First Q Network members (Bengt Dahlgren, BWB consulting, ZWP Ingenieur and JG Ingenieros) will produce a combined presentation at the next Greenbuild Europe 2018 conference, organized by the U.S. Green Building Council in Berlin from the 17<sup>th</sup> to the 18<sup>th</sup> of April.

The presentation will provide a comparative view on challenges of Low and Zero Carbon solutions throughout Europe, from the perspective of European M&E Consultancy Services:

- Low or Zero Carbon Technology within logistic buildings (Spain)
- Building a fossil free pre-school in Gothenburg (Sweden)
- Low or Zero Carbon Technology in high rise buildings (United Kingdom)
- A university hospital on the way to climate-neutral energy demands (Germany)

First Q Network ([www.firstqnet.com](http://www.firstqnet.com)) is a network of mechanical, electrical & building physics consultants from 11 European countries (Finland, Sweden, Netherlands, Italy, Belgium, France, United Kingdom, Portugal, Germany, Ireland and Spain) set up to share resources and best practice knowledge among its members and innovative design solutions across borders for its clients.

Should you wish to share your thoughts with us in Berlin, please contact Mirjam or Juan at: [m.borowietz@zwp.de](mailto:m.borowietz@zwp.de) or [jgallostra@jingenieros.es](mailto:jgallostra@jingenieros.es).
